

DESCRIPTION OF ASSISTANT NEEDED
BILLY RIGGS' PRESENTATIONS

One woman will be needed. *She is to be selected SECRETLY!* In other words, no one else should know that they will participate in the show. She will appear to be randomly selected from the audience. She will not come up on stage or be embarrassed in any way. It will take about 3 minutes to explain her role, and it is incredibly easy.

Gender: Female

Illusion: The Siri Bandanna Routine

Age of Woman: Any adult woman who can credibly carry a briefcase

Other requirements: This woman should be a white collar employee or a manager who is not overly shy. She will *not* be on stage, but will be a “stooge” in the audience to simply “go along” with what Billy Riggs says and does. She must meet with Billy Riggs for about three minutes at a prearranged time to learn her role. She must sit on an aisle not far from the stage.

Difficulty: Easy as pie

Clothing: Irrelevant
